swept the state and re-elected Robie by 15,0:0 majority 252 greater than was ever before thrown, and his county gives 3,409 majority. AUGUSTA, Maine, September 9—The following dispatch was sent to General Logan to-day: "The result of the election may be thus summarized: The republicans have carried every county in the state with the possible exception of Knox, which is very close. They have elected 20 senators, and the democrate have culy two. They have chosen four-fifths of the representatives in the legislature. They have elected four representatives in congress by larger majorities, and have given Governor Robie a popular majority of \$16,000. The republican vote reaches very nearly \$0,000, 4,000 to 5,000 larger than ever cast before. Our majority is the largest we have had since the presidential election of 1868, and far exceeds our most sanguine hopes. our most sangaine hopes. WALKER BLAINE.

Missouri Republican Convention, St. Louis, September 9.—A. Post-Dispate special from Jefferson city says: The repullican state convention met here at noon, and were called to order by William J. Warner, Eansas City, chairman of the state centra committee. After prayer, Major Warner ad dressed the convention, saying the work in hand was to free the state from the malign influence of bourbon democracy. There is, he said, an uprising in the state against the Frank James democracy, and if it were fairly taken advantage of it would emancipate th state advantage of it would emancipate the state from democratic control. He then named ex-Judge Wagner, of St. Louis, as temporary chairman. On taking the chair, Judge Wagner declared the Cheago platform a splendid one, and the nominees presaged a November victory. element of enthusiasm which some of the republican managers here hope to put into the coanvass is the presence of Mr. Blaine in New York, Ohio and Indiana. Very urgent appeals will be made to Mr. Blaine, now that the Maine election is over, to visit Ohio and Indiana. Requests of that character have already come from Senator Harrison and others. One Ohio republican says that the presence of Mr. Blaine there would set the western reserve on fire, and that he need make no political speeches, but simply show himself to the people and talk about the weather. Cholera in Naples.

Naples, September 9 — King Humbert, after visiting the poorer portions of the city today, inspected the Christallina hosp al. He declined to use disinfectants while making the tour of the wards in the hospital. The king was accompanied by his brother, the duke of Aosta, and the minister of the interior and foreign affairs. Burial of the dead from cholera is found very difficult owing to the unusually large number so suddenly needing interment. A seldier suffering from a violent attack of cholera was taken to the hospital and in his delirium threw himself from the nd in his delirium threw himself from the

During the last 24 hours there were 800 fresh ases of cholera and 200 deaths in this city. The town presents a gloomy aspect. Images of the saints with acolytes bearing lighted apers are formed at the heads of processions tapers are formed at the heads of processions of women who march through the streets invoking the help of the Virgin. A large crowd assembled outside the church of San Gennaro in consequence of a report that the Virgin Mary had descended upon the altar and bestowed her blessings upon the people. The doors of the church were closed and the crowd attempted to break them open. Troops arriving, however, the doors were opened and the multitude rushed in, fell upon their knees and engaged in fervent prayers. King Humbert visited, late in the day, the Conchia hospital.
